| ACCOMMODATION                                       | <p>SASSA Service: <a href="https://www.esu.pd.it/en/sassa-service">https://www.esu.pd.it/en/sassa-service</a><br/>           Due to the limited number of places available in the students' halls of residence, <b>only non-European students who need a study visa to enter and stay in Italy</b> can apply for accommodation. These students will be invited by email to fill in an Accommodation form, in order to request a place. The rooms will be assigned based on the chronological order of the requests. We cannot guarantee that all applicants will be assigned a room. In case a few places are still available after the first round of room allocations, <b>European students</b> will be invited via email to apply for a place in the dorms. We advise that <b>European students and non-European students already residing in the EU</b> start looking for private accommodation as soon as the Nomination is confirmed, because the housing situation in Padua is very critical: it is difficult to find a place to stay in a short time and at least 5-6 weeks are necessary to find a suitable place.</p> |   |
