COLLABORATIONS AND PROJECTS IN THE ADRIATIC AND IONIAN REGION	UNIVPM is strongly interested in the Adriatic – Ionian Region and its potential. For this reason, for years UNIVPM has been hosting the Permanent Secretariat of UniAdrion , Association of Universities of the Adriatic – Ionian area (www.uniadrion.net). In addition, since 2020 UNIVPM is the Coordinator of the Erasmus+ Consortium “Uniadrion Italy” (www.uniadrionitaly.it) which brings together 13 Italian Universities collaborating with Universities from Albania, Bosnia-Herzegovina, Greece, Croatia, Montenegro, Serbia and Slovenia. The Consortium “Uniadrion Italy” was born from the best practice experience of a structured University mobility within the Adriatic-Ionian macro-region represented by the Erasmus Mundus SUNBEAM project, coordinated by UNIVPM from 2014 to 2019. The Consortium “Uniadrion Italy” promotes students and staff mobility from/to the Adriatic and Ionian Region within the Erasmus+ Programme (KA103/131 and KA107).
